

Mohammed Mostafa Salem

Al-Matria, Cairo, Egypt | marwansalem164@gmail.com | 01099132966 - 01557934448

Career Summary

I am a junior Frontend developer with experience in React.js, currently enhancing my skills through various projects. I am passionate about programming and continuous learning, aiming to create personalized and useful products that make a difference in people's lives.

Projects

- **Quran** <https://github.com/MuhammedMostafaSalem/Quran.git> This Quran Player website was developed using React.js. It has a page for choosing the reciter and surah, a page for the Quran channel for live, and a page for interpreting the Quran with a translation added to the site.
- **MoviNow** <https://github.com/MuhammedMostafaSalem/MoviNow.git> This movie website was developed using React.js. It contains a page that displays a list of movies, a page to play the movie, a page for searching, adding translation to the site, and adding a dark theme.
- **ECOMMERCE** <https://github.com/MuhammedMostafaSalem/ECOMMRERCE.git> This ecommerce website was developed using React.js. It contains a home page to display categories and products, a page to display a list of products with a filter search mode, a page to log in, an admin dashboard page, and a user profile page.
- **HappyShop** <https://github.com/MuhammedMostafaSalem/HappyShop2.git> This ecommerce website was developed using React.js. It contains a home page to display categories and products, a page to display a list of products with a filter search mode, a page to log in, an admin dashboard page, and a user profile page.
- **eFurniture** <https://github.com/MuhammedMostafaSalem/eFurniture.git> This ecommerce website was developed using React.js.
- **vision-things** <https://github.com/MuhammedMostafaSalem/Rouya.git> This real website static was developed using Html, Css and JavaScript but has been discontinued.
- **ADADK-technology** <https://github.com/MuhammedMostafaSalem/ADADK-technology.git> This real website static was developed using Html, Css and JavaScript but has been discontinued.
